Chicken Update

All of our chicks from Henny Penny Hatching have been rehoused. Most have gone to friends of OSHC families.

Kayla O'Keefe's father took the opportunity to realise a long held dream of keeping chickens in the backyard. Kayla's family are now the proud owners of 4 growing chicks and are giving us regular updates on their progress. Maybe when they are grown Kayla's dad will bring one in for a 'show and tell'.

Outdoor Play

We offer outdoor play every afternoon at around 4pm (on rainy afternoons play is in the hall). At this time of year the temperature is dropping quickly in the late afternoon. With this in mind all children are required to take a jumper with them when playing outside. The only exceptions will be children who are wearing a long sleeved shirt under their uniforms. Educators will ensure all jumpers are brought back to the OSHC room at the end of play.

Please name jumpers to ensure we can return any that are misplaced.

Friendship Banner

In line with our Better Buddies Leadership program we are creating a Friendship Banner. Children wrote their answer to "What makes a good friend"? onto a calico banner. All grades contributed and all children were enthusiastic in their input. We are still to finish the title and decoration. It will hang over the whiteboard at the back of the room.

Our Better Buddies Leadership program assists Educators to provide leadership opportunities to enhance children's self – confidence and compassion towards each other. This in turn creates a caring and friendly environment where respect for others is valued and bullying is reduced.

Holidays

We have a terrific program organised for the Winter School Holidays, including an excursion to Bounce and trip to the movies to see 'Finding Dorey'. Please go our website below to find details and to book in. If you have any questions do not hesitate to call us on 0412 203004.

Thanks,
Frances and Team
