Young Writers in Action: Spring

August 8, 2016 by Rebecca Newman

SPRING

By Anishka, 6, QLD

Spring:

Flowers blooming, birds singing,
What season is that? Spring!
Lives are getting born, the bees are buzzing,
What season is that? Spring!
Spring is beautiful and cheerful,
Spring is the king of all the seasons.

This is Anishka's first poem published with Alphabet Soup. If YOU would like to send us a story, drawing, poem, or book review, check out our submission
