New After School Routine

We recently altered the prep and year one routine for afterschool care, allowing them to stay in the hall for most of the afternoon if they wish. This has been extremely successful with the children having more room to play and enabling educators to provide activities and games specifically designed for that age group. Children are able to access the outside play areas as they did previously.

Following on from this we have decided to offer the year two to sixes a change as well. On arrival children now have the option of going straight to an outside area to run off some energy. Ipad or paper homework can be done in the room at this time also. Children can access afternoon tea from 3.30 to 3.50pm and at 4pm other activities such as craft and cooking are available for them. Initial feedback from the children is very positive. Feedback from parents would also be welcome.

Fundraising for the Smith Family

The Lucky Dips have been a great success with children and younger sibling eagerly donating \$2 to get a lucky dip. The chance to unwrap a surprise was hard to resist, with the bracelets which had been made by the children being the most popular gift.

Thank you to those families who have participated, especially those who added a little extra into the donation box. You have raised \$150 so far. Camp Australia will match us dollar for dollar before it is given it to The Smith Family to help fund their Learning for Life Project, enabling all school children to access uniforms, books and educational support.

The money will be handed over next week and we have only 5 lucky dips left, so get in quickly!

Holidays

The Spring Holidays are nearly upon us. The theme is 'We Can Build It' so there will be lots of construction as well as plenty of sport, cooking and imaginative play. Programs are available from the website as well as the parent sign in desk. Please make your booking as soon as possible as there is a \$10 late fee for all bookings made within 7 days of the opening of Holiday Club. At this point only 10 children have been booked in which means we are planning activities and excursions and staff rosters for this number.

Thanks,
Frances and Team
