Parents and Families,

### COOKING

Our new oven and stove has been installed. We are looking forward to doing lots of baking this term. As part of our recent Holiday Club we were sent a Nutri Bullet with which to make dips and smoothies, adding yet more variety to our menu.

### Donation Needed

Our microwave is on its last legs. If there is anyone who has one in working order they are planning on getting rid of, we would greatly appreciate it.

### HOLIDAYS

Holidays were super fun; building with Lego compatible block kits, science experiments, a dedicated cooking day, an excursion to jumping 4 fun were highlights of the two weeks. The children also spent a large amount of time organising and writing scripts and performing puppet shows following a puppet making day. The foosball box stadiums were a hit and are being used enthusiastically every session.

### 6<sup>TH</sup> BIRTHDAY PARTY

Camp Australia began at Aspley State School term 4 2010. We celebrate our birthday every year with an afternoon party. The tentative date for this year is Tuesday 25<sup>th</sup> October. Our birthday part is always highly anticipated by the children and they put in a great deal of time and energy helping to organise games and cook food. Parents and families are invited to come along and join in, even if it is for only a short time. We would love to hear any ideas you have for party games. If you are able to help out on the day or have a special talent eg juggling, that you could share with the children on the day we would love to have your involvement.

### COMING UP

New decorations over bathroom area are being done and put up this week. Over the next two weeks we will be planning and organising our birthday party as well as carrying out our term 4 fire, medical emergency and lock down drills.

Monday the 17<sup>th</sup> October is a Student Free Day. We will be operating from 7am until 6pm on that day. You will need to book in for care separately as all normal bookings will be cancelled.

Thanks,  
Frances and Team
