The Smith Family's Toy & Book Appeal
is your opportunity to help bring a smile
to a disadvantaged child's face this Christmas.

Elders Real Estate Metro is proudly supporting **The Smith Family Toy and Book Appeal** again this year … and we'd like to invite you to join us.

Sadly, thousands of Australian kids will go without receiving a gift this holiday season simply because their families can't afford it.

How you can help

Purchase a new toy or book (see suggestions below) and drop it off (**unwrapped**) before **7 December 2016** at our office:
