

**REGISTER TO BE PART OF THE ACHPER QLD DAILY ACTIVITIES & WIN GREAT PRIZES**

**2017 HPE Week 20 February to 24 February**

HPE Week is a week that celebrates the role of Health & Physical Education in schools and communities. The aim is to promote the importance of HPE in the Australian Curriculum and highlight the importance of HPE to the learning and development of children and young

people. In 2016 a total of 76 primary and secondary schools across Queensland registered and participated.

In Queensland, HPE week can be celebrated by schools signing up to participate in the ACHPER QLD Daily

Activities. Each day is dedicated to one activity, schools conduct the activity and report on it via social media and photos submitted to ACHPER QLD. Schools can go into a prize draw for submitting their photos, even if they are doing their own activities. See our [website](#) for the activities from 2016.
