

Dear Mrs Griffith-Baker	
This term we have been doing BOOST with Ms Naidoo. In BOOST we have had reading and writing. I improved reading, writing and used the rolls to help. The role I liked is the most is Clarifier. The only role that I haven't had is leader I hope liked to use it in the week. I usually don't like to answer question. In a group I could not hide BOOST has made me take chances even if I was wrong	Mrs Leann Griffith-Baker

Mr Smith	Dear Mr. Smith
Aspley State School	Over the last six week we have done Boost with Ms. Naidoo.
Maundrell terrace	We have done reading and writing.
Aspley / 4034	We had different roles during reading I liked the role of questioner. I am more confident with my reading and writing a sentence or a Paragraph.
	Boost has been helpful because you get to learn in a small group with different roles.
	Boost is a great idea so we can learn to read and write.
	Form Noah

Dear Mr. Smith	Mr Smith
this term we have been doing Boost with MS. Naidoo. In Boost we have done reading and writing.	Aspley State School
I was never good at writing but now I am happy to give it a go. I have improved my writing. I have also learnt to work in a group of people.	Maundrell Terrace
Working in a small group has given me confidence to try and answer questions even when I am not sure of the answer.	Aspley 4034
Thank you for organising Boost
