What we've been up to in the past fortnight!

Over the past fortnight the children have been enduring the pain of staying inside some of the days due to the rain but it hasn't stopped most the children from being creative; as we been promoting Recycled craft and getting them to use the material in the recycled bins. Some of the older boys have been using the hall to play some group activities like 'Ship, Shark, Shore' and Cooking in the kitchen.

Pupil free day was an enjoyable wet day with a few kids, playing group games in the hall and making 3D moving fish and many other sea animals.

What we have planned for the next fortnight!

In to week 3, weather hasn't been the best throughout the next fortnight we will be getting the children to continue to use some of the craft materials from the Recycled bins and continuing the theme from Monday for this week which is sea life.

As we have Christmas only just around the corner we'll be prepping for that early to start decorating the service so we'll need all the help of the children to make decorations.
