

The Wizard of Oz

New Play

Old Movie

From a 1939 movie, “The Wizard of Oz” was transformed into a beautiful, all new play. Fifty students from Aspley State School accompanied by Mrs McIntyre, Mrs Olsen, Mrs Rossiter and Mrs Monaghan were able to attend this magnificent performance. From balcony two the view was amazing. The children decided that Toto (Dorothy’s little dog) was their favourite character. With the scenes acted and projected, it was a magical performance.
