What we have planned for the coming weeks???

Over the next few days, we at Aspley OSHC have a few things in store such as May the 4th where we'll be doing Star Wars related craft. Mother's day is only around the corner also so stay tuned for that as well as May day which is on Monday 7th of May. As our numbers increase so do our resources, in the next few days Aspley OSHC we'll be getting a brand new collection of board games and much more.

Over the next few weeks on Thursday Morning Conor and the Aspley Team will be carrying out a program given to us by the Local Ambulance Committee with consists of 17 clinical activity-based modules designed to accommodate the different year levels from prep to year 6 from remembering personal contact details to CPR (for older children). We are hoping to start this program as of the 10th of May.

Service information:

Parents can you please contact the service if your children are not attending for the afternoon or have been taken home as this is extremely important for the safety of the child to ensure we know how many children we have in our care.

Reminder: To please sign in/out you children when coming into the service, this is extremely important for the safety of the child to ensure we know how many children we have in our care.

Sustainability: Join Gem and the Camp Australia family in Going Green

Conor and the Aspley Team have also reached out the Bunnings as we are hoping they will be able to assist us in helping us grow the plants in our garden.

Children are continuing to use the recycling bins each session.

If anyone else has or knows of anyone with chickens or worms, we have heaps of scraps to give out.

What to do if your child is absent from After School Care:

Please remember parents if your child/ren are going to be absent from the service or have gone home sick, please call or send us a message on 0412 203 004 or call 1300 105 343.
