!!! Program for September Holidays is now available. !!!

What we've been up to in the past fortnight!

Here at Camp Australia we've been creating, designing and being artistic at the playground. Just last week the children enjoyed painting the wall with water using paint brushes and playing with playdough using sticks to make some cool looking things. Some of the girls have also been baking by making honey joys for all the children.

What we have planned for the next fortnight!

We are preparing for assessment and rating by ensuring correct processes and procedures are in place. Father's day is coming up also and we will be preparing activities based around that. For the second consecutive year, Camp Australia will be raising funds to support the Australian Literacy and Numeracy Foundation (ALNF) provide literary Packs to help Indigenous primary school aged children develop literacy skills. Each Literacy pack cost \$80.00. In the next week we'll be having a fundraising for the (ALNF).

Service information:

CCS is here! Changes have been made to your Government Subsidy.

Did you know that on **Monday the 2nd of July** the Government's old fee assistance, CCR and CCB, were replaced with a single **Child Care Subsidy (CCS)**. Great news is this new subsidy is available at all Camp Australia services!

You must confirm your enrolment as soon as possible on the MyGov website: <https://my.gov.au/> and confirm your personal details. This is what determines how much assistance you will receive.

Due to CCS being brand new, **your details will not automatically roll over** from previous years, so to prevent any complications please confirm your enrolment otherwise you may not receive any subsidy until you do so.

You can find more information at: <https://www.education.gov.au/ChildCarePackage>.

Sustainability: Join Gem and the Camp Australia family in going Green

Our main focus for the past week has been sustainability and how we can decrease the amount of food that's been thrown in the bin. With that we've started saving our scraps to take them to **Kingfisher Recycling Centre**. This centre collections heaps of recyclable donations from Aluminium cans and steel to food vegetation and scraps for the Brisbane City Council Community Composting Hub.

If you'd like to know more you can visit this website:

Reminder: To please sign in/out you children when coming into the service, this is extremely important for the safety of the child to ensure we know how many children we have in our care.

What to do if your child is absent from After School Care:

Please remember parents if your child/ren are going to be absent from the service or have gone home sick, please call or send us a message on 0412 203 004 or call 1300 105 343.

Have a wonderful term!

Conor and Team.
