

# Club Kidpreneur

Club Kidpreneur has had another successful year at Aspley. 30 Year 5 and 6 students worked in teams to learn how to run a business from marketing and product design to learning about profit margins. This culminated in a Market Day in Week 2 where our ten small businesses sold their products or services. The hall was buzzing as students from the whole school decided what to spend their money on. Many stalls sold out! Over \$1600 was raised for a range of charities. Well done Kidpreneurs!
