"SHIV ~~what's~~ what's happening, why is this happening, where are we??" Said Emmanuel. Shiv is so scared. ~~the thing~~ Emmanuel was thinking why we are in this un-normal, abandoned house. There were so much spider-webs everywhere. Emmanuel & Shiv put their first step into the steps, it was creaking sooo loud it felt like our ears exploded.

Emmanuel said "This steps are like we are going to the middle of nowhere..." Emmanuel and Shiv stopped on the last step with fear... & both sighed and said "We are now no more." They had no doubt what was going to happen. They saw... A GHOST!!! They both ran down the creaky steps while the ghost was floating down the steps. For the ghost it was easy to get us, but for Emmanuel & Shiv...it wasn't. Well, there was no time, and Emmanuel and Shiv opened a door of a unknown room and we were on a ~~ter~~ terribly, bad dump place.

The ghost was gone but it was never a good ending... we couldn't make it to a normal place!

~~Sadly~~

Sadly ever after!....
